

Company: JJ Inc.
Position: Sample Sales Manager
Candidate Name: John Johnson
Date Report Generated: January 6, 2020

John Johnson is a good match to the personality requirements for the Sample Sales Manager position at JJ Inc. and should be invited to an interview. To better prepare for the interview consider ordering a full Prevue Selection Report for this candidate to provide you with:

- Details of the candidate's strengths and potential challenges in addressing the demands of the position along with interview questions to help guide the process
- Information on the candidate's match to the learning speed (cognitive abilities) required for the position (will they find the work boring or too challenging); and
- The candidate's match to the motivational interests required in the position.
